Manufacturer:	Downingtown Iron	Type of Head	HEMI
Date of manufacture	1956	Tank Capacity	995
Working Pressure	250	Tank Weight	estimated
National Board Number	25500	Tank Shell	
Serial Number	25500	Tank Head	
Steel Type:	Case 1066-4	Pier Type (Concrete / saddles / Flat)	
Jurisdiction #		Tank Saddles	Welded legs
Pressure Gauge			
Liquid Level Gauge	Sight		
Paint Condition:	Good		
Color:	White		
Relief Valve Type	Internal	Information taken by:	Frank Kovacs
Test Date		Date:	6/4/2009
		Tank Location	KIK-Cumberland, RI
